Boy's First . . . ut Is a Trying Affair

FIRST CUTTING — One of life's most painful experiences is the first haircut, as evidenced in these photos by little Frankie Ochoa of 314 Irvington street, Daly City. As soon as barber Joe Castro began cutting Frankie's shoulder-length curls, the 21-month-old lad put up a howl. Mother, father and sista Lita, took turns in comf . But alas, the time had co when he had to give up h curls and become a clean-cut young man. The scene of this fight was the Tip-Top barber-shop, 6248 Mission. When it was all over Frankie was still unhappy.

Outfall Line Hookup Slated

The North County Sanitation District new submarine outfall line extension, designed to eliminate grease balls which float up on Thornton Beach, will be assembled next week.

Harmful sludge will be removed by extension of the present outfall line some 2,500 feet farther into the ocean.

The outfall extension is under construction in the Thornton Beach area. Barges will haul the 2,500 foot section into the ocean where it will be connected to the present line which extends 250 feet into the ocean.

Construction engineers weld 40-foot sections of the concrete-steel pipe and slide the completed section into a rail track which feeds into a drain tunnel.

At the completion of the line next week, the barges will haul the pipe out of the drain and into the ocean for the Vista Grande hookup.

Last year a grant of $136,000,500 was approved by the Department of Health, Education and Welfare for the extension of the ocean outfall line for the North County Sanitation District which serves Daly City, Westborough, Broadmoor and all of the unincorporated areas in between.

Prior to the grant, a cease and desist order to stop pollution on the beach was issued by the State Water Pollution Board. The county took immediate steps to alleviate the condition. The Olympic Club, which formerly sent untreated sewage into the ocean, was asked to enter a sewage treatment agreement.

The North County Sanitation District Sewage Treatment plant is located on Lake Merced boulevard in Westlake.

Waste water is pumped into settling tanks and then into the plant, where a digester removes grit and bacteria is decomposed. Chlorine is added and the water is discharged under pressure into the Vista Grande outfall line and into the ocean.

The outfall line extension was designed by Brown and Caldwell, consulting engineers, 66 Mint street, San Francisco. General contractors are Oscar C. Holmes, Inc., Engineers.

Girls Cited for Cliff Climbing

Two girls who went down the side of Devil's Slide Saturday came up unassisted, but were cited later by the highway patrol for failure to heed signs forbidding climbing on the precipice.

Firemen reported Dolores Garcia, 19, of 71 Hillcrest avenue, Menlo Park and Charlene Waddell, 15, of 86-A 88th street, Daly City, started down the 500-foot cliff-like descent.

After reaching the beach the girls started back up. Highway patrolmen spotted them and summoned Pacifica firemen. As firemen dispatched a volunteer from the side of the cliff Dolores appeared at the top of the cable. She had found an easier way and finished the climb.

Gal Shoplifters Go on Spree

Two women carrying commodious handbags were arrested after allegedly carting off a varied list of items from Daly City and Pacifica stores.

Policeman Melvin Nelson of Pacifica said he found numerous items in the back seat of a car of Mrs. Mary Lou Doyle, 28, and Geraldine Swift, 26, both of 3935 18th street.

The women were booked at San Mateo County jail as shoplifters. Among the places they were in actions were the Safeway, Woolworth's, The Fashion and Arthur's store in Daly City, Alec's Membership Shopping Center in Broadmoor and the Super-X Market, 12 Manor place, Pacifica.

The tour ended in the last establishment when a clerk saw the women attempting to stuff nine bottles of liquors into handbags.

The varied contents of their spree included:

Cigarettes, children's clothing, steak knives, deodorant, poker chips, steam iron, spaghetti, steaks, ham, cough medicine, men's clothing, barbecued chicken and whiskey.

Assault Attempt Over a Bicycle

Five juvenile youths, one armed with an iron pipe, were reported to Daly City police July 23.

They allegedly tried to destroy the bicycle of 10-year-old Clyde Sellers, 651 Niantic street and attempted assult on Edwin Duggan, 500 Westlake avenue, who came to Seller's aid.

The youth with the weapon was disarmed by Duggan. Then the youths fled on foot. The area was searched with negative results.

Controversial Teen Club Out of Business

"Teen City" a nightclub for teenagers in Colma's Columbo Hall has been out of business for a month, according to Broadmoor police.

The establishment, which generated so much controvercy last May apparently could not afford to pay the high overhead cost of hiring a band and four uniformed policemen each night.

Criticism of the club spread after the owners opened the membership from age 14 on up. Police said this would create an "unhealthy environment with the presence of the younger set.

The Daly City police department had objected to a statement on the advertisements passed out by the club which stated that "the curfew will be extended for all those attending Teen City on Friday or Saturday night providing you go directly home after you leave the club."

Police said that the 10 p.m. curfew throughout San Mateo County is not altered for the opening of the club, as the ad suggested.

David Reach, part owner of the club, said that in renovating Columbo Hall, which was leased last Feb. 1, a great deal of time, money and effort was expended.

The club was competing with the efforts of local teen clubs, which undoubtedly was a reason for the club's folding.

Hospital Fund Kickoff Meet Slated Aug. 6

The Mary's Help Hospital building fund campaign's kickoff meeting will be held, through the cooperation of the Rev. Richard M. Power, at the Parish Hall of Our Lady of Mercy Church in Westlake at 8:00 p.m., Tuesday, August 6.

A similar local campaign has already started in Pacifica under the leadership of Co-Chairmen Mayor Harold Feyge, Mrs. Jean Fassler and Mr. and Mrs. William Drake. A like fund drive is presently under organization by business and industrial leaders in South San Francisco. The overall campaign is under the direction of Federal Judge George B. Harris, Chairman of the Board of Governors for Mary's Help Hospital, with Roy A. Bronson, Benjamin H. Swig and Christian deGuigne, all of San Francisco, serving as co-chairmen.

The Daughters of Charity of Saint Vincent de Paul, who have been operating hospitals, schools and orphanges in San Francisco for more than 100 years, will operate the new Mary's Help Facility, in the fast-growing area of North San Mateo Co., said to be the area of greatest hospital need in California. It will be a general voluntary community hospital, open to all persons without regard to race, religion of financial status.

To complete the facility, as now planned, with 400 beds, it will be necessary to raise $1,500,000 (only 18% of the total cost) by public subscription. A large citizens committee, chaired by Frank Curry, past president of the Daly City Chamber of Commerce, with John Dry, Daly City businessman, Al Figone, prominent labor leader, and Paul Hupf, City Attorney, serving as co-chairman, will direct the fund drive to raise Daly City's portion of the funds needed.

Recovered Auto

A 1949 Chevrolet, reported stolen in San Francisco, was recovered in the Pacific Market parking lot area July 27, according to Daly City police reports.

S. Mateo County Fair Opens Friday

The San Mateo County Fair, scheduled for its 29th annual showing August 2-10, will combine a spectacular new concept in the design of floral exhibits with a full program of entertainment headlining Eddie Peabody, "King of the Banjo," to start visitors on their way to nine days of fun and flowers at one of the most comprehensive expositions in the country.

The radical new design of the Floral Fiesta is, ironically, the result of a near disaster at the fairgrounds. The mammoth Hall of Flowers, traditional home of the floriculture show, was ordered closed when structural flaws were discovered in the construction.

Through round-the-clock efforts, the entire Fiesta was redesigned, and fair officials are convinced that "this blessing in disguise has given us the chance to put on a really novel and exciting fair."

Floral exhibits will be located in the $1½ million Twin Industry building with outdoor gardens in the center courtyard.

This year, colorful exhibits will run the gamut from fat lambs and Herefords to rockets and cyclotrons; from the unveiling of a hybrid orchid to a Telestar-relayed phone conversation.

But for all the diversification, the San Mateo County Fair remains primarily a Floral Fiesta, reflecting a multi-million-dollar horticulture industry that has made the county a leader in the nation's production and breeding of fine flowers.

The new "Hall of Flowers" will be filled with lush green hills, fountains and exotic blooms. Outside, Bay Area florists and landscape architects will compete for best design of patios and lanais while amateur garden clubs vie for top awards in flower arrangements and outdoor gardens, illustrating the ultimate in indoor-outdoor living.

A fair is not a fair without entertainment. This year, world-famous banjo virtuoso Eddie Peabody will top a long list of talented entertainers in the 1963 Fair's twice-daily Fiesta Bowl Shows. He will perform August 7-10 as the star of a Stage Revue that includes musical comedy personalities, barbershop quartets, dancers, performing pooches and a fire-dancer.

The Science and Industry show, begun in 1960, each year accounts for an increasing number of the 170,000 visitors that attend the show.

A full schedule of thoroughbred horse racing starts at noon daily at adjoining Bay Meadows race track, where ample parking lots are adequate for both racing and fair fans.

In addition, the agricultural and home economics features of the fair continue to grow, since a major part of San Mateo County Coastside remains rural. The annual Junior Livestock Auction and Fat Lamb Sale has become one of the biggest highlights of the Fiesta, and more than 400 exhibits ranging from chickens and rabbits to white-faced steers are expected from the county's 4-H and Future Farmers clubs.

Daly City Firemen Have a Busy Saturday

Daly City fire departmental duties ranged last week from extinguishing a smoldering mattress to administering oxygen to a victim of an apparent heart attack.

Called to 38 Vendome street at 6:35 p.m. last Saturday, the department gave oxygen to Catherine Neilson, standing by until the doctor arrived. The doctor turned back the summoned ambulance.

Approximately three hours later the department went to 401 Hillcrest finding a chesterfield smoldering in the yard. Occupants of the home had smelled smoke earlier in the day, carried the sofa to the yard and drenched it with water. During the night the sofa reignited, being completely destroyed by fire and water. According to a department spokesman, damage is estimated at $100.

That morning at 3:02 a.m. a call was answered at the residence of William Challenge at 931 Hanover street. The owner stated that his wife had been smoking in bed. The mattress was dragged to the rear porch and the fire seemingly extinguished. The mattress continued to burn, however, also setting fire to the porch. The fire department estimated damage at $75.

Motorcycle Crash With Fire Engine, 2 Hurt

Two boys were injured, one seriously, Tuesday afternoon in Daly City, when motorcycles they were reportedly racing on Thiers street collided with a fire truck which speeding toward a grass fire at 6898 Mission street.

In serious condition at Peninsula Hospital was Ronald Tafoya, 14, son of Alex Tafoya, 939 Wyandotte Place, with a compound fracture of the left leg. Suffering a possible fractured left ankle, cuts and abrasions to arms and hands was John McCarthy, 14, son of Eugene McCarthy, 150 East Vista.

Fireman Gus Constantinos told officers he had driven the truck up into the Crocker Hills to open a reservoir and was on his way back down the hill when he was called to report to the fire. Constantinos said the boys collided with his truck at the Abbot avenue intersection as he was on his way down Thiers street with his siren going and lights flashing.

Search in Fog, But No Plane

The Daly City police searched the ravines of San Bruno mountain yesterday morning, looking for a possible downed aircraft. Several calls alerted police from both Brisbane and Daly City Monday night, indicating that there seemed to have been a plane crash on the upper slopes, near the television towers.

When the fog lifted Tuesday morning there was no sign of any accident, leaving police to theorize on what could have lead various citizens to believe there had been a crash.

Hub Caps Stolen

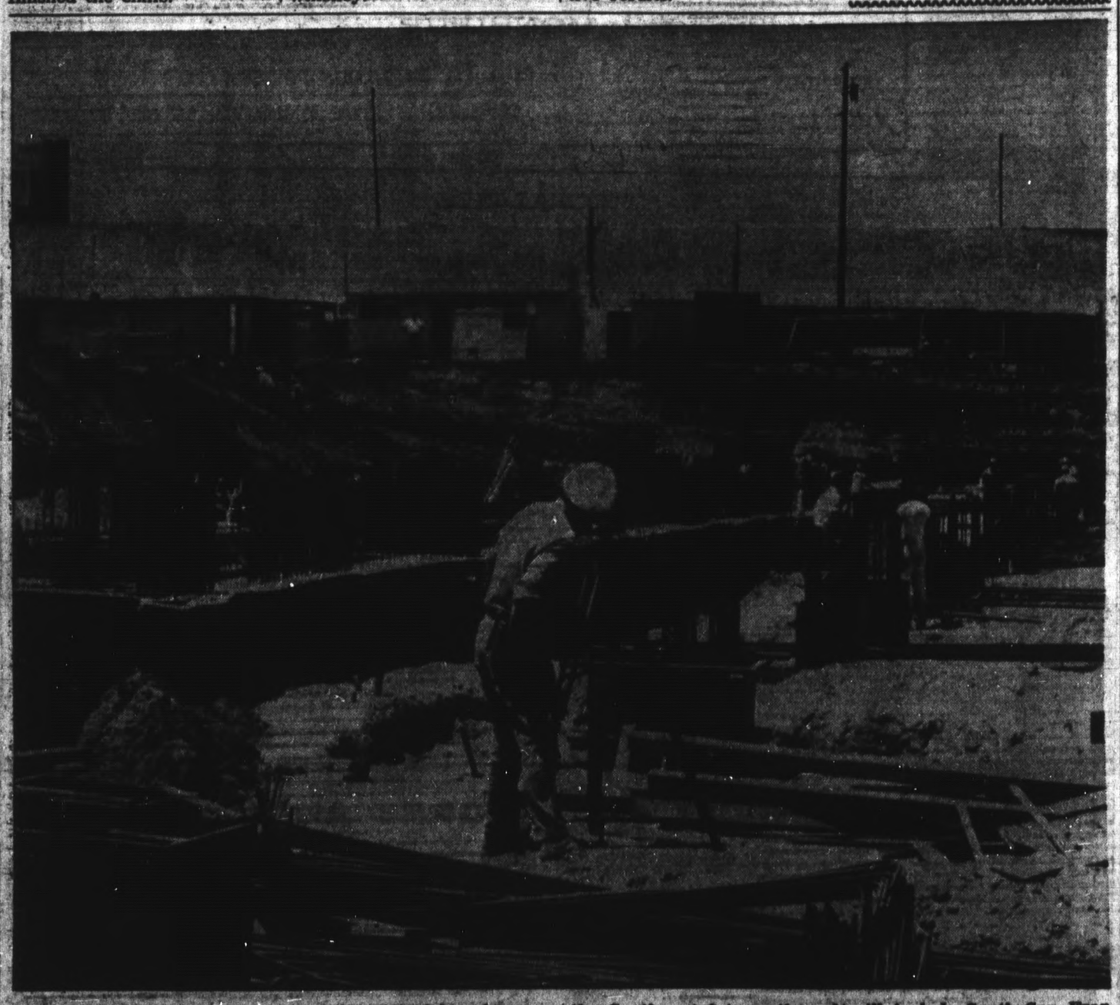

Theft of four hub caps was reported from a car parked July 24 at 181 Park Plaza drive by William Friedman. Value was set at $20.

Two Garage Thefts Reported to Police

Two thefts from garages were reported recently to Daly City police.

Anthony Ruano, 185 Huntington reported theft of $5.25 in coin.

David P. Campbell, 179 Huntington drive, reported burglary of candy, two boxes of sparklers and money.

TAKING SHAPE, the dream of a large modern community hospital for North San Mateo County and adjacent border area of San Francisco is beginning to take shape as shown in the photo above. The new $8,500,000 Mary's Help Hospital is being built on a 11 acre hilltop in Daly City at the Southwest intersection of Junipero Serra and Eastmoor, and its service area in addition to Daly City and Colma will include South San Francisco, Pacifica and the Stonestown-Lake Merced area of San Francisco.

Also hurt was another cyclist, John McCarthy, 14, 150 East Vista, with abrasions. They were taken to Peninsula Hospital.

Elementary District

Open House Closes Jeff Summer School

An open house was held last Wednesday night at all six elementary schools participating in the Jefferson Elementary School District's summer school program prior to its conclusion, Friday.

The open house, as Assistand Superintendent Stratton pu it, "gave parents an opportunity to see not just a planned demonstration, but what the youngsters did, and what actually went on in the classroom."

A questionaire was given to the parents, asking for their eveluation of the summer program, and according to the principal, one mother has stated that "if its impossible for the district to finance the program next year I would be happy to pay a fee."

Thursday the students and teachers filled out similar questionaires. All evaluations are to be tabulated beginning this week and the resulting evaluation will be presented to the board for examination in October.

Stratton said that the questions "are pretty open-ended, giving everyone a chance to say what they want to about the classes." He added that a careful analysis would hopefully give the district valuable information for the next year.

Popular Courses

"It's interesting to note," Stratton said, "that far more students are enrolled in reading, and science than any other subjects offered." Respectivly there are 1251, 1160, and 900 students signed for these classes.

These numbers include, students in both developmental and advanced classes. in math and reading; and students attending both astronomy and General science classes. Next in order is Art appreciation, with 740 students. Creative writing, Music Appreciation and World Affairs follow.

Generalities

The Elementary school has also invited guest speakers for afternoon talks before the teachers in the summer program. Last Wednesday Dr. R. Nevitt Sanford, Stanford psychologist and director of the Institute for the Study of Human Problems discussed the neccessary aims of the teacher, stating that "to live successfully, the student must be able to analyse, generalize, synthesize."

"A great deal of harm has been done," Stratton commented," by that cliche about the fallacy of generalizing. We have to teach children how to extract truth from their experiences, and we're trying desperately to instill this in our students."

Westmoor Girl Spends A Summer in Italy

Miss Mary Jane Putz of Westmoor High School is spending July and August in Italy on the summer program of the American Field Service according to Rev. Herbert C. Tweedie, local A.F.S. committee chairman. She writes her parents, Mr. and Mrs. George Putz, of her wonderful adventures so far. She tells of her Atlantic Ocean voyage from New York to Rotterdam along with 250 other high school A.F.S. visitors going to countries in Europe.

How each day for a while the student visitors were divided into groups according to the country they were visiting, and that during these orientation periods only the language of that country could be spoken. She told of the tremendous talent of the students, musically and otherwise, who represented outstanding representatives of local high schools from Massachusetts to Georgia and to California.

She tells of awakening in the morning while traveling on the train and seeing the beautiful scenery and picturesque towns of Switzerland. Then, on arriving in Milan, Italy, she recounts her excitement of spending several days in visiting the historical and artistic places in that city. She then went to Ancona on the coast of Italy on the Baltic Sea which she says is blue and calm like a lake.

She is staying with the family of Dr. and Mrs. di Donato Giuseppe, he being a medical doctor who directs the Government Institute of Health Insurance for Italian workmen. Mary Jane writes of the warm friendship of the family and her three "sisters" in the home; also of walking in the Piazza, motoring in the hills, swimming in the sea, and eating in water-front restaurants.

During the month of August she will stay in the home of Mr. and Mrs. Mauro Scifoni of Rome, he being general manager of the Revlon Spa there. She will go up to Rotterdam with the family to meet their daughter, Maria, who returns from an A.F.S. year in Minnesota on a ship full of A.F.S. European returnees. She may meet Helena Frisell, Westmoor High's visitor for the past year from Sweden, who is then returning to Europe. Mary Jane sums up her impressions with the words, "It's all so very romantic."

Boys Bag Bass Cave Man Style

Two Daly City-Colma boys came back home with a fish of unbelievable propertions after attending an all-day outing last Friday at Angel Island, sponsored by the Daly City Recreation Department.

The story, verified by Director of Recreation Ed Tomasello, goes like this:

Gene Barrona, 10, and his friend Tom Alexander, 10, were on a ledge overlooking the shallow water fronting Shelted Cove, when they spotted a big bass coming to the surface. They threw a rock at the bass and stunned it, then as it lay there they jumped into the water. One of the boys grabbed it by the tail and another youth stabbed it with his pocket knife. They carried home the trophy, a three-foot long lunker.

CIRCUS DAYS—Large crowds good weather and lots of action got the St. Francis Square Circus Days off to a good start last week. Besides the many rides a free puppet show and television personality were on hand to entertain the young visitors.

OUTFALL LINE—Forty-foot sections of the North County Sanitation District outfall line extension are assembled on the beach by construction crews. The 2,500-foot extension is designed to remove sludge by extension of the present line farther into the ocean.

Posh Living At New Tiny's Inn

In the hustle and bustle of modern living, it is refreshing to find a place that gives you that relaxing atmosphere that brings sheer pleasure at the end of a hard day's work.

Such a place is the newly-opened Tiny's Inn cocktail lounge, 6057 Mission street, operated by Bill and Claire Lonich.

A bartender in this location since 1949, Bill has gone all out with the opening of his new plush tavern.

His grand opening this Friday, Saturday, Sunday, Aug. 2-3 and 4 will feature free buffet and free orchids for the ladies.

Lonich's new bar has a certain atmosphere that lends itself to pleasant conversation and good companionship. His contemporarl designed tables and chairs offer seating capacity for 75 persons.

Adding to the romantic affect is a large brick-fronted fireplace where guests can barbecue their own steak sandwiches with French roll.

Incidently, this is probably the only cocktail lounge in the Bay Area that features this unique attraction.

The brick used in the fireplace and the front of Tiny's lounge came from the ruins of the St. Mary's Catholic Church, a landmark on Van Ness avenue which was recently gutted by fire.

Lonich was raised in the Excelsior, is a Daly City resident and attended Excelsior High School.

He is justly proud of his new tavern, which features moderately-priced drinks, in a refreshing atmosphere of indirect lighting and fireplace casting warm dancing shadows against the charcoal textured walls.

Junior Teen Clubs Program Set Up for Coming Weeks

Joint activities are the feature programs for the next few weeks among the junior high teen clubs sponsored by the Daly City Recreation Department. This Friday night, the Roof Raisers will host the Telestars and Westlake Swingers at their regular meeting at 7:00 p.m. in the Ben Franklin School multi-use room. Dress for the evening will be "sloppy Joe." Prizes will be awarded for the most unusual costume. The evening will last from 7-9 p.m. and the other two clubs will be closed for the evening.

Also on this Friday, the Majestics Junior Teen Club is sponsoring a night at the Giants-Pittsburg Pirate baseball game. Members and their guests are meeting at the Lincoln Park clubhouse at 7:00 p.m. for transportation by private car to the game. Interested youth may sign up during the week at Lincoln Park or the War Memorial Community Center.

Friday, August 2, the Colma Area Junior Clubs—Casualiers, Majestic and Imperials will hold a joint meeting and dance at the War Memorial Community Center. Highlight of the evening will be the appearance of Ken Starr and his Legionnaires, a top local band.

The inter-club socko league continues each Monday evening with competition between the six clubs. In addition to the games, a variety of special events are scheduled following the games. Monday, August 5, will be a swimming party at Jefferson High at a cost of 35c. The following Monday, after the final night of play, a barbecue will be held at Junipero Serra Park.

All junior high club activities are now open to youth who will be seventh graders in the fall.

Carnival Due at OLM Playground

Featuring a variety of games of skill ranging in price from 1c-5c and popcorn for 5c and soda pop for a dime, the carnival is open to all children in the area. Playground groups from Olympia, Westlake and Garden Village Schools and Westlake Park will be flocking to try their skill at shuffleboard, chuck clown, the fish pond, and other games.

The prizes were part of the $12,000.00 awarded to the finalists in the Gold Coast Classic.

Marilyn Staudt and Neva Runningwolf teamed to lead the 99'ers Mixed Fives for the week as Marilyn rolled a 204 game and 593 series and Neva posted 203 and 576.

Ralph Ostergen missed the six hundred mark by only two pins as he led the 838 Classic for the week with a big 233 game and 598 series.

Peggy Narducci and Dave Vaughan, both of the Trident Imports team, led the Ball and Chain Mixed Fives with 210-480 and 214-564.

Fred Thompson topped the Classic Doubles for the second consecutive week as he rolled a big 245 game and 836 four game total. Gary Moeller averaged over two hundred per game as he had a 212 high game and 801 series.

Leader of the Sleepers Handicap for the week was Bob Nishamura with 187 and 559.

The Westlake Knolls League had a new leader last week as Johnny Johnston topped the field with a 222 game and 570 series.

Lefthanded bowlers both men and women, will be heading for Westlake until September 1 to compete in the First Annual Ora Swanson Southpaw Singles and Doubles. With a first prize of $200.00 and a second prize of $100.00 guaranteed in each event, there will be prize for each ten entries. Nada Sylvester and Shirley Zatcoff tied for high series in the Starliters League with 484 as Nada rolled a 164 high game while Shirley's best was 166.

"Learn to Bowl" is the password around Westlake as four different programs are now underway, giving everyone an opportunity to learn before the end of summer. In addition to free daily classes at 5:15 p.m., there are free classes at Mondays and Tuesdays at 10:00 a.m., Thursdays at 2:00 p.m., and Fridays at 1:00 p.m. A phone call to Rick Dreier at PL 6-5777 will reserve a spot in any of the groups.

Forth members of the Daly City Lions Club will "invade" the Westlake Bowl today to make their annual contribution to the Daly City Police Athletic League. After bowling in the benefit tournament at noon, they will have a luncheon meeting starting at 1:00 p.m.

In the Tuesday morning Trio League, Carmen Lewetzou took both high game and high series honors as she bowled 158 and 441.

George Xavier missed the two hundred mark by only one pin as he topped the Early Fives with 199 and 549.

In connection with the Westlake Merchants Moonlite Sale tomorrow night, Westlake Bowl will hold a "Moonlite No-Tap Sweeper" at 11:30 p.m. with the overhead lights turned off, bowlers will compete for cash prizes. Competition is open to league and non-league bowlers both men and women.

Leading lady of the week for the Stonestown Emporium League was Louise Hansen with a 169 game and 439 series.

A 220 game and 547 series gave Bruno Zambonian honors for the week in the Country Club Handicap.

A Gutter Ball . . .

We threw a gutter ball last week when we hooked the "Serra Bowl News" under the "Its Spare Time" heading. Those bowlers who thought they had been Tapped will find their efforts recorded in the "wrong" alley. The Times-Record hastens to add that such mistakes will be conspicuous by their absence in the future.

Adventurous Week For Daly City Kids

Another week, another adventure, as activities continue for Daly City youth. The youngsters traveled far and wide and participated fully in boating, swimming, hiking and other assorted endeavors.
Vista Grande-Gerry Podesta.

Enthusiasm this past week at Vista Grande shifted from simply interest to a real sense of competition and adventure.

A Ring-A-Tac-Toe Tournament and a Paddle Pool Tournament provided challenges for our older participants. One of our outstanding participants this week was Teresa Perla who emerged as champ in ring-a-tac-toe for her age group and appears second on the ladder for paddle pool. Teresa also took part in crafts and the special event, the Bay Cruise.

Spirited group ended the week with a hike, picnic and scavenger hunt in which Sue Loveless emerged with the most "finds."

The influx of bicycles to the playground this past week has resulted in the planning of a bike hike to Thornton Beach for the coming Thursday.
Abraham Lincoln-Margo Sinclair.

Abraham Lincoln defeated Vista Mar School in an eight inning baseball battle July 25. The score 13-3; winning pitcher John Somdahl. Runs were scored by Gonzales Calderon, George Stammerjohn, Benny Isla and Steve Lewis. No score was made until the bottom of the second inning when Gonzales Calderon smashed a line drive to right field bringing in Ted Khorge on second base.

The score was tied in the fourth inning but Abraham Lincoln jumped ahead in the bottom of the fifth with seven more runs.
Our Lady of Mercy-Gerri Caldarola.

July 25 marked another day of bicycle and running races. Winners were Scotty Crenie, Paul Gusvitz and Michele Modena in the bicycle races and Phyllis Gurvitz in the firls hopping and running races. In boys hopscotch, a close game was played between Peter Storman and Paul Gurvitz, Paul finally edging Peter.

Clippers, Celtics Easy Victories

Clippers and Celtics have emerged as the two undefeated teams in the LONG division of the summer high school basketball league sponsored by the Daly City Recreation Department.

Sporting 2-0 records, the two top teams both scored easy victories in last week's play. The South City based Celtics downed a scrappy Rascal five 54-39 while the Whalers give the Clippers a rough first half go before succumbing to the hot shooting and high jumping victors 86-60. Paced by Hal Westmoreland's 24 points, the Celtics pulled away from the Rascals with a 22 point fourth quarter output.

Dave Breazeale's outstanding play making and 15 points led the Rascals. Five players scored in double figures as the Clippers exploded for a 52 point second half against the game but outmanned 7 Whalers.

Other LONG division action found the Gunners downing the Rangers 48-42. Playmakers Dan Crow, 17 points, and top rebounding Bob Skinner led the Gunners to victory after a 23-23 first half tie.

In last week's final division game, the Clodhoppers coasted to a 57-26 win over the Rams as the hilltop bunch were able to muster only 4 players for their Thursday night contest.
George Washington - Ron Levaco.

It was just the right, rare sort of a day to go to a beach. Together with the kids from Frankfort Park, the gang from George Washington met at Lincoln Park Clubhouse at 10:00 of a beautiful Thursday from there. Buses transported us to China Beach where for the rest of the day everyone basked in the 75° weather. Very promptly Russ Taborsky and Tom Kirkpatrick hiked off down the beach exploring for something or other, while Cornel Cooper with Jim Burns hit the surf. Of the kids from Washington, it looked as if they were the only ones to brave the waves. Kevin Boden and Junior Bulatao contented themselves with giving Nadine and Zella Comisky a hard time but no complaints were heard. Playing games, munching on hot dogs or potato chips, a great time was had by all.
Westlake School - Ray Greggains.

Baseball at Westlake School on July 24. Frank Kelly and Mike Godivich . . . Frank went 4 for 5 at the plate including 2 triples and a homerun. Mike showed sterling defensive play and banged out 3 singles in 4 at bats as both boys led the Wildcats to a 10-2 victory over the Redsox.

SPORTS

Pirates Top OLM Wolves

The PAL Pirates met and defeated the OLM Wolves in a tightly played ball game. An 8-3 score gives no indication of the outstanding caliber of play exhibited by both teams, up from the Farm Club League. Rich Hall and Tony Moss shared the mound duties for the Pirates and looked very good in the process.

Big 6 division action saw Abe Shaffer toss a 2 hit shutout against the PAL Yankees. Dennis Acevedo helped the cause with a first inning homerun blast with one man on to account for the 2-0 win.

Chuck McGuigan's OLPH Golds gave the PAL Cardinals a run for their money in the Golds first game in the top division. It took a bases loaded triple by Barry Gevertz to overcome the hard fighting Golds. Gary Wilson came up with 14 K's for the Birdmen and Gordy Contreras hit 2 for 3 as the Cards came out on top 6-3.

Serra Bowl News

Art Michael topped the 810 SCRATCH league this week with a nifty 235 high game as he led his Ed Michaels team to a 3-0 sweep over the Easter Five. Jay Morrow posted 233-576 for individual high series honors while pacing his team, Flying Goose Sporting Goods, to a 2-1 win over the Joe Brandi group.

This week was a big one for high scores in the ladies afternoon 300 DOUBLES league. Ellie Torrigino took top series with her 213-564 shooting as her team No. 6 defeated No. 5 by a margin of 2½-½. Millie Welling tallied 223-562 to lead team No. 4 to a 3-0 triumph over team No. 3. Henrietta Scheer bagged 216-531 for team No. 5 in a 2-1 losing effort against team No. 10 in a late make-up game.

Jim Leatherberry tossed a classy 229-566 to lead the JR.-SR. BOYS H'DCP. league on Saturday morning.

With the approach of the '63-'64 Fall bowling season there is, indeed, no time like the present to get in on the fun of this great sport by learning the game and joining a league. For information regarding Serra's free "Learn to Bowl" instruction program call WYman 2-3444 and ask for Fred Hoffman.

At a glance it looks as if Mike Valenzano's 242 game mid-way in his 572 series was high effort in the GAMBLERS league last week.

L.&S. Auto Wreckers took 3 out of 4 points from team No. 3 this week in 750 MASTERS action. Selu Silifaiva led the winners with a 233-545 series while Al Keoseyan's 574 was high for the losers. Walt Kimpel was high roller in the entire loop with a 235-575 tally.

Ed Fisher rolled a 222-571 series this week to lead all the scores in the SHARP-SHOOTERS league yet his team, Paoli's Meat Mkt., lost all 4 points to a fired up Frilen Inc. team.

High Game of the week: Warren Streeta — 850 SCRATCH—256.

High Series of the week: Rich Piazza—850 SCRATCH —617. Looks like a clean sweep for the big boys in the high scoring departments!

DON FOSTER—A new trainer and handler in the Bay Area, shows Golden Knoll Jack C. D., a golden retriever, at a recent show in Fresno. Foster will hold classes under the auspices of the Westlake Kennel Club at the Broadmoor Community Center. The classes start at 6:30 p.m., August 6, with the public invited.

BYA Rams Win First Game, 7-6

The BYA Rams went into an extra inning to squeeze past the Bender Roofing Cats, 7-6, in the opening game of the Late Summer Midget League.

After surrendering four runs in the first inning, the Rams John Koliopoulos pulled it out of the fire with nine strikeouts and two well paced hits for his fist league win.

Battery mate Tim Kimball started a four run rally in the third stanza with a long triple, while Steve Goggiano and Mark Henniger provided two key hits in the late innings.

The BYA Rams, coached by Dick Geno, will play their next game at Westlake Park against an as yet unnamed opponent.

WOMEN'S ACTIVITIES

From A Feminine Viewpoint...

By Mona Baker

Black mesh hose, tiers of brilliant colored ruffles, exotic feathers in their hair—certainly a hit wherever they perform are the "Can Can Girls" from Skyline Assembly of Rainbow Girls of Daly City.

Organized approximately two years ago, the girls have made numerous local appearances before Eastern Star and Masonic groups in Daly City as well as in San Francisco. They also performed in the Demolay Talent Show held last year in the city.

The entire act is the girl's own creation—they planned the dance routines, designed and made their sparkling black taffeta costumes. Each costume is in one of the seven colors of the rainbow (red, orange, yellow, green, blue, indigo, violet) which is picked up by the flounces on the underskirt and the feathers in their hair. Also the color is repeated in the sequin trim around the neckline of the dresses.

The girls usually take turns appearing in the act and during the past couple of years over twenty girls have performed. Dancers presently in the act include Ruth Ann Huelse, Trudy Josselyn, Dorothy Getchel, Pat Woodman and Carol Hilton.

They have been busy all summer appearing before various groups. Last week they performed before Star King Chapter of Eastern Star in San Francisco. They are already booked for a number of appearances in the fall. If any local clubs or organizations are interested in having the girls entertain, telephone Carol Hilton (PL 5-2465) to make arrangements for their appearance.

Certainly a dedicated worker is our community leader this week who has given many years of volunteer service to organizations in Daly City.

Nine years she has been active in various PTA groups including Hillside where she served as president, Colma, where she was room mother and vice-president, George Washington where she is presently parliamentarian and Jefferson High School where she is the new president. She was twice chairman of the PTA coordinating committee for Jefferson Elementary School District and served two terms on 17th District Board.

During past years she also devoted time to Brownies and Girl Scouts, assisted in all community fund drives and was secretary to the Christian Education Department at Temple Baptist Church in San Francisco.

At present she is also active in Bethel No. 198 Jobs Daughters, the Parents Club of the Rainbow Girls and is a line officer in the White Shrine of Jerusalem.

We salute Ruth Huelse as our community leader of the week! The Huelse family, husband Arthur, and daughters, Ruth-Ann and Mabel-Lynn live at 151 Abbott in Daly City.

Mannina-Basich Vow Exchange

HAPPY SMILES were displayed by the new Mr. and Mrs. Daniel Richard Basich (Antoinette Rose Mannina) following their recent marriage at Corpus Christi Catholic Church. The young couple greeted approximately 400 guests at their Sons of Italy Lodge reception and shared a lovely 5-tiered wedding cake, each layer of which was supported by glass columns.

A honeymoon in Southern California followed the exchange of wedding vows by Antoinette Rose Mannina, daughter of Mrs. Charles Mannina, and the late Mr. Mannina, and Daniel Richard Basich, son of Mr. and Mrs. Roy Basich.

Prior to departing on their honeymoon, the new Mr. and Mrs. Basich shared a five-tiered wedding cake and received the congratulations of relatives and friends at a buffet dinner and reception held at the Sons of Italy Lodge.

Antionette, a member of Zeta Chi, was graduated from St. Peter's Academy and the City College of San Francisco. Daniel, who studied at Sacred Heart High school and received his bachelor of arts degree from the University of San Francisco, is an underwriter for America Fore Insurance.

The young couple will make their home in San Francisco.

White gladioli and stock decorated the sanctuary of the church for the 3:30 p.m. double ring ceremony.

Given in marriage by her brother, Anthony Mannina, the bride wore a classic wedding gown of white silk organza. Its all-over alencon lace had been embroidered with seed pearls and terminated in a chapel-length train. Her fingertip illusion veil fell from a double-tiered crown of lace, which had been decorated with pearls and crystals.

The bride's bouquet was a cascade arrangement of white phaelonopsis orchids and stephanotis.

Terry Anne Mannina, the bride's niece, served as flower girl and the matron of honor was Mrs. Thomas Lavin. Bridesmaids were Gloria Fazio, Marie Martorana, Gloria Petrucci and Suzanne Petti.

The feminine contingent wore street-length frocks of pink silk organza that had been styled with fitted bodices and wrap-around skirts. Their cabbage rose headpieces were of matching pink and they carried nosegays of pink aristocrat roses.

Lester Norton served as the best man for Daniel and Allan Farbstein, David Harris and Vincent Sortile served as ushers with James Lowe of Daly City. The junior usher was the bride's nephew, Charles Mannina, and Robert Petty, the bridegroom's cousin stood as ring-bearer. Officiating at the ceremony was Father Victor Andreoni.

For the marriage of her daughter, Mrs. Mannina wore a dusty rose silk organza sheath and the benedict's mother wore an ensemble of pale green. Both had beige cymbidium orchid corsages.

Between Us Gals:

Vacationing At Home? Be A Pretend Tourist

By BUNNY GILLESPIE

Ever notice how much fun those people wearing the plastic convention badges seem to be having? Know why? They ARE having fun! They're in the Bay Area as visiting tourists and loving every minute (you can tell by their faces.)

And there's no reason why you couldn't look just as happy. Who ever said that you couldn't vacation in your own area? When did travel ever improve the ultimate destination?

Next time you wish a brightened outing, and yet don't care to stray too far from home, be a pretend tourist in your own bailiwick.

Pretending is not just a game for children. Thousands of people "pretend" every day, and are paid very substantially for it. They're called actors, and you can be one too as per Mr. Shakespear's stage of life.

An important rule for a tourist (pretend or otherwise) to observe is to Bring Money. The Bay Area has never had a reputation for inexpensiveness.

Tourists Tour!

As a tourist, why not start off with something that most visitors would enjoy in any metropolis, a commercially-guided jaunt around the area.

For fun and comraderie, larger group rides might be yours.

A sight-seeing bus tour can be found to take you almost anyhere in the Bay Region, whether it be to Chinatown, the parks and museums, North Beach, the Water front, the 49-Mile Drive, Fisherman's Wharf, the Stanford campus or Muir Woods.

Ever wondered about the multiple hills of San Francisco, and their designations? Lose yourself in a Twin Peaks tour and you'd be amazed how much you don't know bout the city.

If you're adventurous, try an air tour of the Bay by sea plane or helicopter, or plough the waters of the huge blue portal by boat.

(Have you ever seen Candlestick Park or the shipyards from the bay side, or the world famous giant crane? Have you been under either bridge and peered at the supporting columns' height and mass? Have you felt the roll of a ship as it nears the choppy Golden Gate waters? Or have you imagined yourself an arriving visitor, or heap of Manila hemp, at any one of the dock fingers that reach out into the Bay?)

Champagne Cruise

Should scenic sailing sincerely send you, the newest attraction on the Bay seems to be the Champagne Dinner Cruise which leaves SF's pier 43½ each Thursday evening at 6:30 p.m.

If you've never crossed San Francisco waters by night, this should be a must for you and your brood. The blackness of the bay is unbelievable and the magnificence of the lights of the City must be seen to be truly appreciated.

A Harbor Tour boat delivers you to the quaint and picturesque town of Tiburon, and the price of the tour includes dining at your choice of four unique restaurants, one of which was the 1961 award winner for the best designed restaurant in the U. S.

Also included is a wine tasting party hosted by the Tiburon Vintners, champagne and music while you're crossing the Bay, and a full-sized bottle of chablis, burgundy or rose to take home.

Before the four blast of the boat whistle beckon your back on board, there'll be time for the family to browse along Tiburon's main street, which reflects the quaint architecture of the Clipper Ship days of the 1850s.

Souvenier and gift shops boasting hard-to-find items, clothing stores with distinctive stylings and art galleries vie for visitor viewing.

Drama Date

If drama is your forte, book yourself into attending at least one good live stage show, and don't rule out the growing local little theater movement.

For a historical as well as theatrical experience, plus a gala evening, consider the Sheraton-Palace Garden Court presentations.

Other Half

Register for a night or two at a stylish downtown hotel, or motel, while you're "touring," for the joy of assimilating that "how the other half lives" feeling.

Shopping Tour

And while you're splurging, plan a leisurely shopping tour in SF, armed with equal (this is important) spending money for all family members.

Make it a rule that the total must be spent during the tour. The amount depends on your own financial situation.

Separate

While father takes the kids on a charter-boat fishing outing, or a dad's-delight sporting event, make a date for yourself at a good beauty salon and "have the works."

All of the family will enjoy the day apart, and you'll emerge feeling like Mrs. America, ready for the admiring perusal of mate and mice.

Eating Out

Touring in the Bay Area always means eating out, while Living in the Bay Area (with a capital L) means eating out always (according to our worldly acquaintances.)

Dining out in San Francisco is an experience to be set apart from eating out. From spaghetti or stuffed turbot (with sour dough French bread) to chop suey, dabgodz sempoog, escargots, gnocci or hassenpfeffer, there are palate pleasing dishes awaiting those

ENJOYING THE CUISINE — of Europe are two Daly City residents, the Reverend Lynn E. AMID THE ROLLING hills of Livermore lies the Vallecitos Atomic Power Plant, first of its kind. The facility was visited recently by 35 touring Daly City residents, who learned, among other things, that the silo-shaped building shown above contains the boiling water reactor.

Bees Buzz At Studebaker Lot

A swarm of bees invaded a used car lot at 6791 Mission street last Thursday, adopting a 1950 Studebaker.

The bees buzzed on the scene at 11:15 a.m., driving salesmen and customers for cover. The only thing salesman George Baker could say was "They're swarming all around the car - three must be a million of them!"

Vallecitos PG&E Plant Welcomes DC Group

Words like zirconium, reactor, fission, bullets, radiation and electrons are not usually included in the conversation when members of the Crocker Chapter of the Order of the Eastern Star get together, but late last Tuesday afternoon the bus which transported 35 of the local organization's members to their home ground was filled with discussions centering around just such unlikely samples of Mr. Webster's giant dictionary.

The group, only six of them men, had been participants in a specially-arranged bus tour and luncheon as the guests of the Pacific Gas and Electric Co., and the OES-ers left Daly City early in the morning to catch the bus which transported them across San Francisco Bay to visit the General Electric Co. - P.G. & E. Vallecitos Atomic Power Plant.

The plant is located in the sun-drenched Livermore Valley of California, half-way between the towns of Livermore and Pleasanton. It is the 9th PG & E generating station in the San Francisco Bay Area but it is America's first all-privately financed supplier of nuclear electricity. The electricity generated there is distributed to PG&E customers although the plant, one of the major components of the General Electric Vallecitos Atomic Laboratory, is actually only a part of the research facility and work being carried on.

"The plant is not a giant," states the PG & E, "Neither is it a toy. Its size is of little importance in comparison with the giant stride forward it represents in man's beneficial use of atomic energy. With it scientists and engineers are solving problems to enable more economic and efficient construction of vastly larger atomic-electric power plants."

While visiting Vallecitos, the local OES-ers learned that the development of atomic electricity is important because of the ultimate depletion of the known deposits of fossil fuels (oil, gas or coal).

Included on the touring group's agenda was a visit to the Vallecitos control room, with its wall of complicated dials and indicators, and a close-up look at the silver-colored silo-like building which contains the atomic reactor. The reactor is shielded by a thick wall of concreate to prevent exposure of operators or visitors to radiation. The nearby turbine plant and control building are free of radiation.

Among the localites visiting the 5000-kilowatt boiling water reactor station were Elizabeth Brown, Nellie Brown, Theresa Cano; Edna Cosbie; Bernice, Foriest and William Cunningham; Selma and Frank Darr; Emma and Albert D'Isep; Lillian Fletcher; Mae Fernandez; Dell Goss; Grance Ginsberg; Lillian Hufnagel; Julia Kessler; Alice Landucci; Isabelle Linden; Lulu Lasky; Alta McAdam; Isabella Malone; Elizabeth Moore; Edith Moore; Anne Morton; Pat Mattson; Florence Mooney; Helen MacCarthy; Margaret and George Riddell; Lukeria Richeson; Ruby Sundstrom; Dorothy Stevens; Henry Sundermann and Clara Wecke.

New Hall of Flowers At S.M. County Fair

The closing of the San Mateo County Fair and Fiesta's huge Hall of Flowers has failed to daunt the spirits of the Fair Association board of directors and staff, who today pledged themselves to producing "the newest and most exciting show the county has ever seen."

The Fair and Floral Fiesta begins a nine-day run August 2nd.

"We didn't realize what we could do until this crisis hit us," Board Chairman Ed E. LeVesconte said. "But this unfortunate incident, coming as it did practically on the eve of the Fiesta, has challenged us to put on a really novel and interesting Fair."

The Hall of Flowers, traditional home of the Fiesta's famed flower show, was ordered closed recently when the county discovered structural deficiencies in the construction. At that point, the Fiesta had to be completely redesigned.

Fair Manager William M. Wilson said that all exhibitors will be accommodated with no loss of space or advantageous location.

The Fair's ½ million twin-industrial building will be turned into a new Hall of Flowers for professional and amateur floral exhibits, with professional outdoor gardens occupying the courtyard between the two wings and the fushias hung from the covered archway.

"Fiesta designer Eric Clough and his assistant, Bill Whipple, have worked round-the-clock since the 4th of July to completely create our flower show," LeVesconte said. "And they've come up with an amazingly destinctive and orderly design. In fact, if I didn't know better, I'd say they had been working on it for at least a year."

Clough pointed out that the industrial building, with it's attractive courtyard and central fountain, was a "natural setting" for the flower show. "The fountain and pool will dominate the outdoor garden displays," Clough said.

The Peninsula Art Association's show, instead of being "stuck in a side room as it has been," will be integrated throughout the west wing of the industrial building, to the mutual advantage of the floral and art association exhibitors.

Amateur outdoor gardens will greet visitors as they come through the new east entrance to the fairgrounds. The new gate will replace the main entrance on the south side of the grounds which has been closed.

A sidewalk ice-cream parlor will be set up along the archway between the two wings of the "new Hall of Flowers" and an outdoor restaurant will take the place of the garden restaurant, located in the past in a wing of the condemned Hall of Flowers. The new restaurant, serviced by portable kitchen facilities, will be shaded by a festive canopy.

Westlake Baptist Has Sermon Series

The pastor of Westlake Community Baptist Church, Dr. H. Hansel Stembridge, Jr., will present a series of Sermons concerning the fundamental beliefs of Christianity. The series will begin Sunday, August 3, and will continue for several weeks.

The Pastor, in preparing this series, said: "In this time of upheaval and social revolution men need to face honestly and fearlessly the teachings of the Word of God. Men must realize that Christianity is not just one among many ways of life, it is the One Way of Life. Therefore, with courage and sincerity, let men listen and obey the 'thus sayeth the Lord!' "

The first sermon is based on: "Our Faith in God." Man's idea of God is the most important single fact in his life, it determines his usefulness here and his destiny hereafter. Said the Pastor: "The history of mankind will probably show that no people has ever risen above its religion, and man's spiritual history will positively demonstrate that no religion has ever been greater than its idea of God.

Today we must go "back of the creeds, back of the affirmations of faith, back of the Old and the New Testaments—back to the deepest feelings of our hearts to know what we actually believe about God." Who is God? What is He like? What do I believe about Him? Such are the great questions of this and every hour in the history of all men.

Following this first message the Pastor will speak on:

Our Faith in Jesus Christ.
Our Faith in the Holy Spirit.
Our Faith in the Church.
Our Faith in Man.
Our Faith in Forgiveness.
Our Faith in the Communion of Saints.

Both the members and the Pastor invite all who have no church home in Daly City to come and worship each Lord's Day at 10:55 a.m. and 7:30 p.m. They join with the churches and pastors of the city in urging all our citizens to attend regularly the church of their choice.

Robert Johanson, a missionary pilot from New Guinea, which is now West Irian, as it came under the rule of Indonesia May 1, of this year, will be the guest speaker at Seacliff Community Church tonight at 7:00. The church is at 50 Northridge Dr., Daly City.

Mr. Johanson, who has served his first four years as a pilot for the Missionary Aviation Fellowship, an interdenominational organization which serves the Evangelical Protestant Missions, has been on a year's leave of absence and will be returning to West Irian.

Some of the fascinating experiences Mr. Johanson will relate with the aid of slides include buzzing warring tribes who might be attacking a mission station, and being the first pilot to land upon primitively cleared airstrips ranging from 1,200 to 3,000 ft. long which are in jungle areas 4,000 to 7,500 ft. above sea level.

Mr. Johanson, his wife, Carol, and their two children, David and Mark, are visiting the David Steiger family, who also served M.A.F. in New Guinea.

Methodists Get New Members, Parsonage

Wesley Methodist Church received seven new members into its fellowship on Sunday, July 21. Joining the church were: Mr. and Mrs. Harold Randall, Mrs. Marie Thom, Mr. and Mrs. Max Pena and son Richard, and Mrs. Edward A. Wolfe.

After the worship hour, the congregation received news from Mr. James Gummere, a member of the Trustees, that a new parsonage had been purchased for the church. With help from the Peninsula Extension Society, a home at 272 Belhaven Drive has been bought. The new parsonage, located near the church property, schools and shopping areas, will be occupied by the minister during the latter part of August. The existing parsonage is at 1325 Southgate avenue.

During the month of August, Dr. Wolfe will give a series of sermons on God and Nature. On August 4 the sermon topic will be "God and the Rocks:" August 11 "God and the Waters;" August 18 "God and the Harvest."

Wesley Methodist Church holds its services at Thomas Edison School which is located on Southgate and Lincoln avenues. Church School begins at 10 a.m., with the Worship Hour begining at 11 a.m.

The monthly Friendly Time in the social hall will follow the service. Refreshments will be served by members of the Board of Deacons. These will be Julia Rued, Gladys Burke and Jean Frisch. The public is cordially invited to these Sunday events.

On Tuesday at 10:00 a.m. a mid-summer meeting of the Women's Association of the church will be held. Coffee will be provided as well as infant care for mothers attending. Mrs. James Hamilton is Association President. Ladies interested are invited.

Bar Mitzvah At Temple B'nai Israel

Rabbi Shore will officate at this Friday evening's service after returning from a months vacation. Daryl Shamitoff will participate in this service and will observe his Bar Mitzvah Saturday morning at 10 a.m. in Temple B'nai Israel, 67 Los Banos Avenue.

He will be called to the Torah and will chant his Havtorah, racite the prayers in the traditional Hebrew and also deliver his acceptance speech. He has attended the Hebrew and Sunday School for the past four years and will continue his education next fall.

In honor of this happy occasion, his parents, Mr. and Mrs. Allen Shamitoff will host the Oneg Shabath Friday evening after the services and also honor Daryl with a Kiddush Saturday morning in the social hall for all their friends and members of the congregation.

Holiday Services

Due to the demand for more seats and the loss of our present site, Temple B'nai Israel will hold its high holiday services in Temple Rodeph Sholom at Brussels and Siliman Streets, San Francisco. There are only a few additional seats available and therefore we would like to urge you to make early reservations with Mr. Paul Lichtman by calling PL 6-1930 or JU 6-7642 or write to Temple B'nai Israel, 67 Los Banos Avenue.

Sisterhood News

Sisterhood of Temple B'nai Israel are planning a membership barbecue dinner September 5.

PAEAN (Pronounced pee-en, not pain)

All over the land, we expect, this song of the regimented - borrowed from World War I - will be rising from 185 million throats most any day in praise of our General (Postmaster General, that is) J. Edward Day.

"Good morning, Mister Zip, Zip, Zip,
With a number just as long as mine.
Good morning, Mister Zip, Zip, Zip,
You're surely looking fine!"

Now that we've all become social security numbers to the Internal Revenuers, didgets to the Telephone people and Zip numbers to the post office we are doubtless entering the hey-day of people-who-can't-remember-names-when we will just be called "hey" by people-who-can't-remember numbers.

"Ashes to ashes(we'll sing), and dust to dust
Names are so deceptive, In numbers we'll trust.
Good morning, Mister Zip, Zip, Zip,
With your number just as long as,
Your number just as long as mine!"

This will be the day - when all post offices are automated so that there can be no human error in sorting mail - when the post office makes no errors in assigning numbers and handling address changes of those who move - and when everyone who writes to us knows our number - and gets it right.

The zip number for Mr. Zip, by the way, is 20269.

Something for Everyone

By Samuel Chandler

Everything about Senator Barry Goldwater seems to produce controversy even his style of writing and speaking.

One critic of his books called him a stingless hornet buzzing harmlessly around the heads of busy men. Another says his method of writing is to strew dogmatic assertions through the covers of a book.

On the other hand a review calls him more articulate than Senator Taft. Another says he is more expressive than President Hoover and Eisenhower. Still another finds his works to be a reasoned analysis of the nation's problems.

Notwithstanding, the reviewers, Senator Goldwater is neither a literary giant nor pygmy. His strength stems from his willingness to discuss issues, though not necessarily specific, in an era when conservatives deal in generalities. The fact that he proceeds from fixed premises, adds significence to his work. Too many conservatives do nothing but oppose while offering no propositions of their own, consequently, their work is soon relegated to a dusty corner and forgotten.

At the same time Senator Goldwater has not yet proven himself to have a political philosophy of the magnitude of such American conservatives as Hamilton, Adams, Webster, Lodge, Dulles and Taft.

He has two books in print —The Conscience of a Conservative," and "Why not Victory." Both may be found in the Daly City Public Libraries.

California has completed 1,043 miles of a proposed 3,000 mile riding and hiking trail circling the State.

The View From ...Behind the Badge

Written and Edited by Daly City Police Department

Preventive action . . .

People l- ting for the reason "why" of juvenile delinquency, so called are apt to indulge in the beating of breasts when there are no flamboyant or sordid news stories involving juveniles. Too often, when the situation is quiet these people are quiet.

The Police Athletic League is a round the year prevention activity, as well as an admitted public relations effort on our part. These activities are mostly financed by the proceeds of the annual bowling tournament at the Westlake Bowl. The juvenile front has been relatively quiet, though, and the tournament is not doing well this year.

Won't you turn out to bowl in the Police Athletic League tournament? We need the help and the proceeds. The tournament ends on Sunday, August 4th.

More prevention . . .

At times we wonder "Hey, is anyone out there reading any of this stuff?" Two good readers let us know that they were out there—and both suggested we issue a caution regarding driving. Mrs. Samuel Stein suggested that defensive driving should be the order of the day. She mentioned the possibility of the PTA and other organizations might attack this matter at there meetings. She suggested, and we agree, that a little thought for the other driver or pedestrian would be in order for all of us.

Patrolman James Welsh suggests that "Thou shalt not kill" is agreed to by the majority of citizens, regardless of what form their words might take. Again, we agree. What easier way to kill and injure others, and what accounts for more deaths by accident than the driver and his auto?

Perhaps the driving commandment might be better kept if we will all give attention to the act of driving, rather than in dwelling only on the destination for which we are bound.

More about readers . . .

Mr. and Mrs. William Stell applauded an article in this space about the appelate reverse of our dirty book case. They supported our complaints at that time. And we still insist that we are not trying to CENSOR anything — we merely claimed that the books we presented, seized on an arrest from a bookstand on public display and sale, were in fact breaking the law . . . and a jury agreed.

Bruce Wagner, of the District Attorney's Office, is still handling the case on our behalf, and we understand that a new trial will be held before too long.

Some time ago Mrs. G. Wilson came by to thank us for the printed effort of this, column, and we were appropriately grateful. We thank Mrs. Wilson for her thanks.

Carcia conviction . . .

Our wanted flyers continue to pay off. Half of the people displayed on the flyers have been arrested. Alesandro Carcia, a bad check and holdup man, arrested on the strength of a flyer, was just convicted in Superior Court. His is the first conviction resulting from these productive wanted posters.

Recruiting . . .

Over 500 applications for policemen were given out on request during a recent recruitment of police personnel. About 180 men took the written examination. Thirty nine men passed this phase of the test. Of these, 31 showed up for the oral examination. There were twenty men still around after this part.

Two men joined other departments who called them first. Four have been appointed as Probationary Patrolmen. Following intensive background investigations, three men have a good chance of appointment. Two others may yet be rejected. The others have already been dropped as a result of the investigations.

Another exam for police officers is hereby announced. Applications are obtained through City Hall (PL 5-0850, 75 Wellington Avenue.) Closing date is August 28. The written will be held on September 7. We want quality, not quantity.

KGO-TV does it again — itarng bouquets is the announcement of a new daily 90 minute news show to premiere over the station on August 12 on Weekday mornings from 7:30 a.m. to 9 a.m. Included on the new show will be news (Bay Area, national, international) weather, traffic reports, stock market and general news features and interviews.

To bring Bay Area citizens the latest news developments "hot off the wire" a staff of six reporters will begin the preparation of each morning at 3 a.m.

Acording to David M. Sacks, ABC Vice President and General Manager "our scheduling of a daily news show of this duration is, we believe, unparalleled anywhere, and is certainly one of the most important program addition Channel 7 has made in its history."

We feel that the coming program is a fine public service and welcome addition to Bay Area television. However, we do hope the station remembers that their television signal reaches all the Bay Area not just San Francisco. We feel regularly featured stories from the surrounding areas will add much to the program and serve to weld the Bay Area into one community, because so many news happenings concern the entire Bay Area.

—*—

Good news from NBC is the announcement that their excellent children's program "Exploring" will be scheduled again for the fall season. The program will now be seen at 12 noon. Again the program will be telecast in color and will cover such subjects as language, music, mathematics, social studies and science.

—*—

TV DATES TO JOT DOWN: Outstanding high school football players from San Mateo County as well as around the Bay will be seen when KTVU telecasts the 12th annual Shrine all-star football classic on Aug. 1, 8:30 p.m.

New art series "The Public Arts" debuts this week over KRON-TV and will be seen weekdays at 6:30 a.m.

Scheduled for Aug. 1, 7:30 p.m. over KPIX another in excellent "Pageant" series with special program titled "The Faces of Chinatown."

Debuting over KQED (Wed. 7:30 p.m.) new program "Conversations with Eric Hoffer" a series of six programs featuring conversation between General Manager James Day and author Eric Hoffer.
